

the SAINT JOHN the EVANGELIST CATHOLIC CHURCH
EAGLE

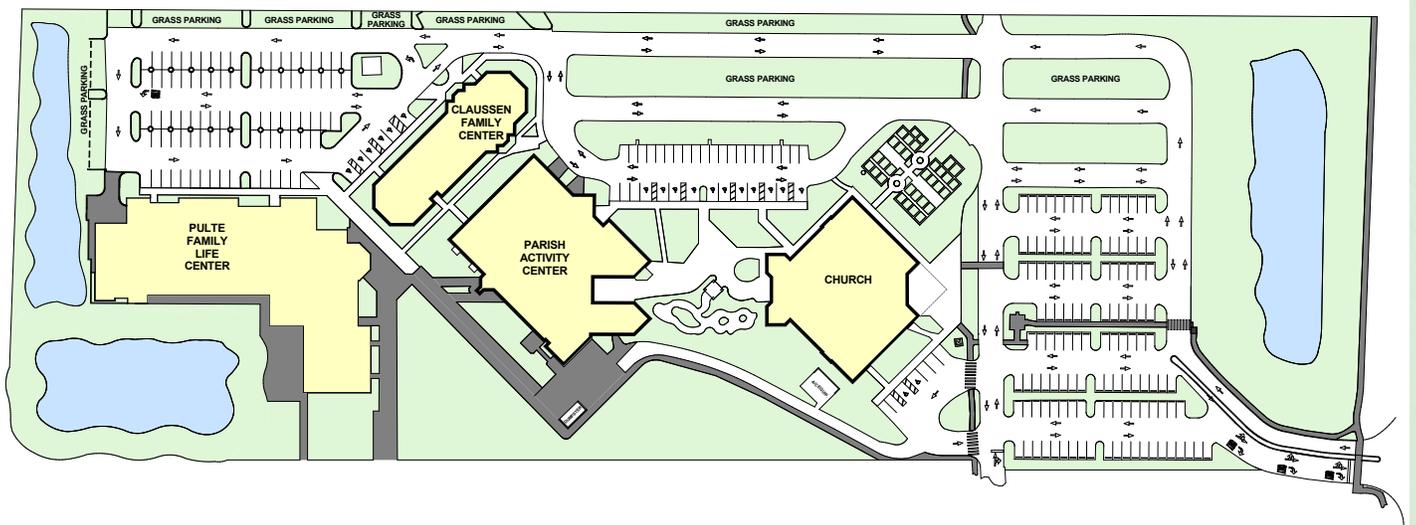

To Know, To Love, and To Serve God
in His Church and Our Community.

Welcome to the New Saint John Campus!

Hurricane Irma hit Naples less than a year and a half ago, decimating many parts of our beloved community. We are blessed that the anticipated storm surge never materialized, as it would have put all of Naples Park under feet of water, and flooded our church into its second story. That said, with over \$4 million in damage, we have been hard at work repairing, restoring, and renewing our campus. Our Parish Family deserves more than patching up drywall and replacing a roof.

The revitalization of our campus includes just about every square inch. You are probably seeing some of it right now if you are sitting in Mass in our Ballroom or in the Pulte Family Life Center Gym. There is so much more, from the renovation of the Clausen Center (nearly complete), to the exterior lighting and parking lots, to our new Sanctuary, and we hope it will increase the joyousness of everyone that enters our grounds.

A Prayer for World Peace

Dear God, thank You for all creation. In the spirit of Jesus of Nazareth and all teachers of peace who inspire the many faith traditions, help me and all the people of the world learn how to replace hate, war, oppression, and division with love, peace, freedom, and reconciliation. Help me to embody Your love in my relationships with my family, friends, strangers – even my enemies. I commit myself to this sacred task throughout my life. So let it be. Amen.

To Know, To Love, To Serve... Parish Mission

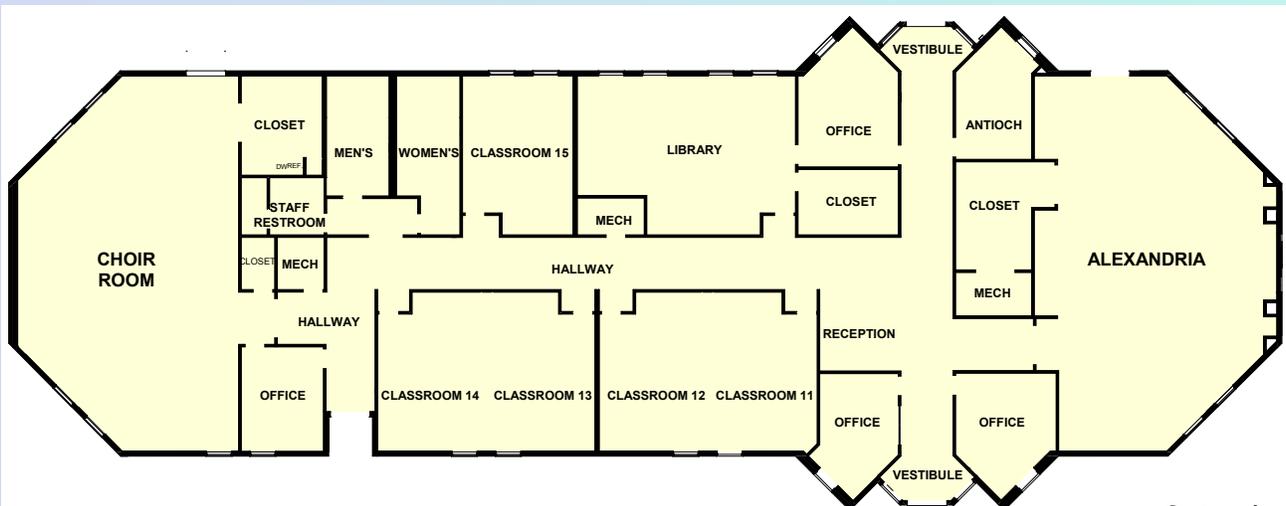

Welcome to the New Saint John Campus!

Continued from Page 1

As part of this renewal, we determined that a consistent naming convention for our buildings and main rooms should be created. We had a parish-wide contest over two years ago on how to name the spaces of our campus so that we could easily communicate where various events and activities would be held. We chose cities of the New Testament for the names for rooms within our buildings. Additionally, we have developed maps to assist both our Parish Family and our visitors on how to find these spaces.

Many of us may never have ventured beyond the church building prior to our displacement from that building. Now, we are all fairly well versed in our Parish Activity Center, where the Ballroom, the Rome Room, our church office, and ten classrooms are housed. This building's multipurpose capability will be fully realized when we are able to move back to the church, and the Ballroom can be used for receptions and events of various types. Rome was renovated prior to the storm as a small meeting and reception space, and it allowed us to find a flaw in the carpet prior to installing it in the Life Center. It has been repaired from the damage from the storm and is in full function for our essential Ministries and activities now.

To Know, To Love, To Serve... Parish Mission

Welcome to the New Saint John Campus!

Continued from Page 6

With tens of thousands of dollars in flood damage, and the plan to renovate part of the building with the Capital Campaign, the Claussen Family Center was an essential space to renew. Unfortunately, we could never have anticipated the complete failure of four Air Conditioning Units within the building all at once, requiring a total system replacement, including piping. That delayed the renovation efforts a bit, but the building is nearly complete. Now, Alexandria (previously known as the Seminar Room), Antioch (the old Adult Meeting Space), and our new Library (where the Youth Room used to be) are wonderful meeting locations for groups ranging from 6 to 90. A new Counseling Office has been created where the old Youth Coordinator's Office used to be and is used for mental health services provided by Catholic Charities for free to the community.

If you have not traveled back to the new Pulte Family Life Center for either an activity or for Mass, you are in for a treat! The nearly complete Life Center hosts a tremendous amount of activities already, and it has not even finished yet. There is something for everyone going on daily in the Life Center. Many of our classes, including Adult Faith Formation, are hosted in the Nazareth Room, right down the hall from the 5 Saints, our café and bar. We have already had a 450-attendee concert and basketball games in our Gym, not to mention three Masses each weekend.

Our campus is coming together, so these maps will help you find where to go and how to get there. Please do not hesitate to contact me if you have any questions. Thank you so much for your continued patience and flexibility!

Exceeding the 2018 CFA Goal

My heart has been touched by the constant and consistent generosity of our Parish Family. In December, I asked all of us to come together in order to close a shortfall on our 2018 Catholic Faith Appeal goal, which was close to a \$108,000 gap. We responded tremendously, and I am happy to report that we finished the year with over \$546,000 to the CFA, which is more than \$25,000 beyond the goal! Thank you all for helping us achieve and exceed our goal to assist the Diocese and the programs that fund social services in our community. There will be further information soon about our 2019 Goal and efforts to ensure we are committing our time, talent, and treasure to our Parish and Church priorities. Thank you!

Faith Formation Students Enjoy Praying the Rosary in the Quiet of the Gym

Mrs. Campbell's multi-age sacrament class enjoys moving around the campus during Faith Formation Class on Sunday mornings to mix things up a bit and take advantage of our new facilities. Last Sunday, they decided to pray the rosary in the New Pulte Life Center Gym. Afterwards, the class enjoyed a cup of hot chocolate in the café. Soon after, they visited the Year 2 High School Confirmation Students in the Nazareth Room and got a chance to see the youth they would be praying for. As both age groups are in the midst of sacrament preparation, it is a blessing that they can pray for each other.

Safe Environment Classes for Children

During a portion of our Faith Formation classes on Sunday, February 24th/March 3rd and Wednesday, February 27th/ March 6th, we will have age-appropriate lessons for your children related to helping them stay safe, as required by our Diocese. The children will view a short video followed by lessons intended to reinforce the concepts learned in the video. Children will be grouped K-2nd, 3rd-6th grade, and 7th-8th grade. To help you become more familiar with the goals and objectives of the lessons, we will be sending home pamphlets with the children with helpful information. Please read through these brochures, and feel free to discuss with your children. If you have any questions about the objectives of the program or would like to preview the materials, please stop by my office. Together we can help make your child more confident about staying safe and setting boundaries for themselves and others.

Attend a Pivotal Players or Catholicism Session THIS WEEK, or Whenever You Can – Each Episode Stands Alone

Meet St. Augustine, This Week's Pivotal Player

"Through his literary genius and spiritual perception, St. Augustine allowed numberless people over the centuries to see their own stories of sin and grace in his." ~ Bishop Robert Barron

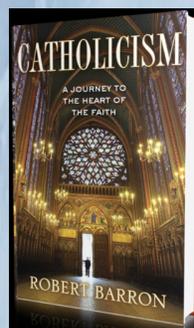

In this episode, Bishop Barron and his team travel to Rome, Milan, and all of the locations that played a significant role in the formation and vocation of St. Augustine, which, in turn, formed the life of the Church.

Experience how St. Augustine's famous "restless heart" has become the paradigm for spiritual seekers across the ages. Perhaps the premier example of how faith

in Christ can change a person, St. Augustine's narrative of personal transformation in his book *Confessions* provides a template for life in Christ that still rings true today. In an age when people insist upon sharp demarcations between spirituality and religion, or between Christ and the Church, St. Augustine provides a unifying way forward. We do not have to choose one or the other, but are chosen by Christ for his Church.

Join other parishioners Monday at 7:00.

Catholicism

Journey across our planet to see how the Catholic Church's influence on humanity has created a truly global culture. View the Documentary Film Series, CATHOLICISM, which displays the artistic and architectural splendor of the Catholic Faith interpreted in light of the mystery of God revealed in Jesus Christ.

IT IS NOT TOO LATE FOR YOU TO JOIN THIS JOURNEY. This week we will explore the Ineffable Mystery of God, in which Bishop

Barron considers St. Anselm's description of God as "that than which nothing greater can be thought," and goes on to explain St. Thomas Aquinas' arguments which support the claim that God truly exists. He also speaks from the Catholic tradition about the nature of God and the challenging question of evil and the existence of God.

To provide a vision of the ineffable majesty and mystery of God, you will travel to the heights of the Sinai desert and make your way to mysterious Istanbul, walk the glittering streets of Paris, and then be captivated by the glories of the Sistine Chapel in Rome.

Remember you are invited to come to one of the sessions this Thursday; the lunchtime at **11:30 a.m.** (enjoy the 5 Saints Café sandwich special for only \$5, or bring your own) or the evening session at **7:00 p.m.**

Gospel Reflections

with Father Tom

Today in medicine there is so much specialization that the body tends to be broken up into parts. Some doctors specialize in the heart, others in the brain, others in the eye, others in the ear, and so on. Specialization is good, but it can have a downside. Specialists may be concerned only with organs, not with human beings. They may know scarcely anything about the person whose eye or heart or hip they are treating.

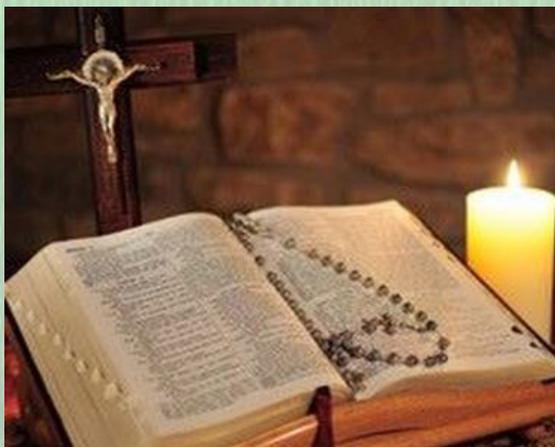

The human body forms a unity even though it is composed of many members. Those members are very different from one another and have very different functions. Some undoubtedly are more important than others. Yet to be complete the body needs all of them, and the members need each other.

So it is with the Church. We through many form one body in Christ. By means of our baptism, we have become members of the Body of Christ, the Church. Some might wish to go it alone, independent of the community. But there can be no such thing as an isolated Christian. We are part of one another and must not try to go it alone.

Community makes demands on us. For this reason, the temptation to go it alone, to seek salvation independent of others, is strong. But we need each other, just as the parts of the body need each other. And the Church needs all of us. We need to have a sense of belonging to one another and to Christ. We have to get involved even when we would rather just look after ourselves.

Belonging to a community has obvious benefits. Take reeds for an example. Individually, they are weak and easily broken. But tie a bundle of them together, and they are virtually unbreakable. So it is with people. Great strength results from togetherness. People take courage from knowing each other, encouraging each other, and from standing together. Great things can be done when people work together.

The emphasis on community comes from Jesus himself, only He used a different image to describe it. He used the image of a vine and its branches: "I am the vine, you are the branches." It is a simple but profound illustration of unity and interdependence.

It's obvious that the branches need the vine. But the vine also needs the branches, because it is the branches that produce the fruit.

This is how Jesus wanted it to be between Him and His disciples. This is the way He wants it to be between him and us. He is the vine, we are the branches. Or to use Paul's language: "Jesus is the head of the body, we are the limbs of the body." Without a sense of belonging together, of caring for one another, and being responsible for one another, one is not really a Christian.

The fruit which Jesus desires from us is primarily that of unity among ourselves.

Our Adult Choir Welcoming New Singers to Join... NOW!

Our adult choir is currently inviting ALL SINGERS, ages 17 and older, to join our choir. Why join St. John's adult choir? We develop proper vocal skills, sing exciting sacred music for our beautiful liturgies and concerts, learn more about our Mass and Faith, gain a more personal and rewarding involvement in the worship, work together as a team, socialize as a family. You get the idea...and we have fun in the entire process! The invitation is open to all interested singers with some music reading skills! We rehearse every Wednesday in the Choir Room. Consider coming to a rehearsal. Try choir for one month or a season. Please contact Gary Prettyman at the Church Office during the week, or after Mass, for more information.

Our Youth/Children's Choir Invites You... NOW!

Our beautiful youth/children's choir is currently inviting ALL SINGERS ages 9 (8½ will be considered) through 10th grade to join our choir, develop proper vocal skills, sing exciting sacred music, learn how to better read music, learn more about our Mass and Faith, develop team skills, and have fun in the entire process! This age range is based on the national standard for youth treble-voice choirs. We are hoping to grow to at least 30 voices. We rehearse every Wednesday from 4:30 p.m. to 5:30 p.m. in the Choir Room. We sing once a month for the 11:15 a.m. Sunday Mass (during public school year), and for special events! Ministry Spotlight

NET Missionaries Spotlight

Editor's Note: Since mid-September, eight young adults, NET Missionaries from Minnesota, have been a part of our Parish Family sharing their infectious enthusiasm as young Catholics. This is our third year hosting the NET Missionaries. We are very excited to welcome them as part of our Parish Family. Over the next few weeks, in an on-going series, we will introduce you to these young adults. Say hello when you see them.

Michaela Purdy

Michaela is 22 years old, from Osgood, Indiana. She served on the NET team at St. John last year and is excited to be back again with a second year! She enjoys photography, singing, and playing board games, and is very family oriented.

Austin Tipton

Austin is 24 years old, from Pierre Part, LA. He is an outdoorsman and enjoys hunting, fishing, and any competitive sports. After serving with NET, he would like to continue doing ministry work with a particular interest in men's outdoor ministry based on theology of the body.

Host Families Needed. We are in need of parishioners willing to host two (or four, if you have space) of the NET Team for a two-week increment. You don't need to worry about transportation – just provide a place for them to sleep, shower, and meals for the day. Please don't pass up the opportunity to be a blessing to these wonderful young adults who are giving so generously of themselves to our parish!

For more information, please contact:

Kyle VanDuser, CYO Social and Spiritual Coordinator, at 239-207-0537 or kyle@sjecc.com, or Patsy Valentine, NET Team Host Home Coordinator, at 239-398-8332 or paulival@aol.com.

Host Experience

Sean and I share six children, all grown now and on their own. We are empty nesters. Or, at least we were until a few weeks ago when two young strangers knocked on our door. Now, strangers no more, our "kids" will be moving on to their new host family tomorrow. Before this experience, I thought that when we reached the end of our two-week commitment that I would feel relief. On the contrary, we will miss them and be sorry to see them go.

We have only been here, in Southwest Florida, for a few months, having moved here from the Northeast in early November. Before the big move, we made a point to invite family and friends to visit us in our new home. We wanted to share our blessings with them – a lovely home, sunny skies, and warm temperatures, and let's not forget the palm trees! Being a NET host family, we thought, would provide another way for us to share our blessings.

Our two young men easily integrated themselves into our home and became family. While they are completely self-sufficient, I must admit that it's been nice to have some kids around to "mother" again, if only through the act of feeding them. Each of our "boys" took a cook-night, though, and prepared dinner for the four of us. They chose the meal, drawing on something familiar to them for their inspiration. Our puppy dog, Gabbie, has grown to love them, too, searching them out first thing in the morning – even before the all-so-necessary outdoor nature call.

The dedication to the Lord and to the service of others that we have witnessed in these young people is inspiring and motivational. The reality of being a host family turns your motivation for doing so on its head. We wanted to give something to others, and yet, we have found ourselves on the receiving end. We wanted to share our blessings, and yet, we have found ourselves further blessed.

Sean and I have committed to be a host family again. If you have considered hosting a NET team, but would like a little more practical insight, I encourage you to reach out to us. We will gladly share more of our experience with you. Fair warning, though – we're a little opinionated. We are of the opinion that this is a wonderful experience, and we look forward to our next opportunity to be a Host Family!
