Saint John Builds Youth Programs for the Future of the Catholic Church

When we first set out with our vision for engaging the future of the church here in Naples, it became apparent quickly that the youth of the area (and their families) were being fed with programs and activities at other denominations, as well as secular programs.

community into the youth of our Parish Family.

Unfortunately, we found that has been defunct in the state of Florida for over 36 years now. That was not acceptable to us, so we have restarted CYO here at Saint John and spearheaded its growth for the entire area.

A Prayer for World Peace

Dear God, thank You for all creation. In the spirit of Jesus of Nazareth and all teachers of peace who inspire the many faith traditions, help me and all the people of the world learn how to replace hate, war, oppression, and division with love, peace, freedom, and reconciliation.

# Gospel Reflections

## with Father Tom

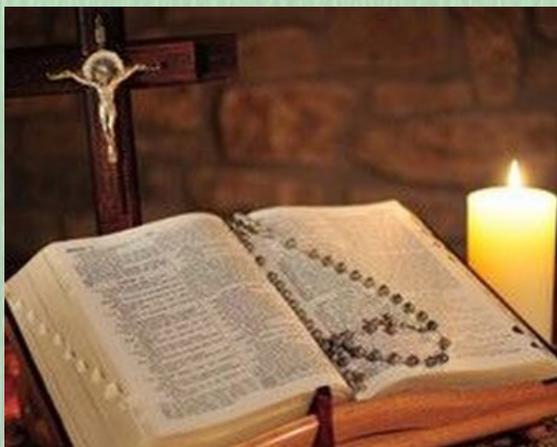

**T**oday's Gospel reading is an amazing passage of scripture. In this passage Jesus gives us a beautiful picture of what a life based on love looks like.

Now, I know what many of you are thinking. That's impossible! We can't live like that. It demands too much of us. Who can love their enemies, do good to those who hate them, pray for those who mistreat them? I mean, besides Jesus. He certainly did each of those things. But can we? Can we love like Jesus loved? I believe we can. Maybe not perfectly – after all, we're not Jesus. But we can do better than we're doing.

Jesus' entire philosophy of life was based on love. This is the important truth you simply cannot miss. Do you see what Jesus is trying to do in today's Gospel? He is giving His listeners a new picture of what their lives should look like. Jesus was surrounded by a huge crowd. This crowd included Jewish citizens and members of the Jewish ruling class, the Pharisees. It also included folks from Tyre and Sidon, pagan cities that practiced Baal worship, and Roman troops who exploited and oppressed the Jews. These folks were standing shoulder-to-shoulder with their enemies as Jesus spoke.

When Jesus said, "Love your enemies, do good to those who hate you, bless those who curse you, pray for those who mistreat you . . ." He was introducing them to a whole new way of looking at life. This is how things work in the Kingdom of God, Jesus was saying to them. Jesus' entire philosophy of life was rooted in love.

I am constantly amazed how many Christians miss that truth. There's a reason for that, of course. Maybe we have never really listened to the teachings of Jesus. Notice how Jesus begins this teaching: "But to you who are listening, love your enemies . . ." That's interesting. "To you who are listening . . ." Not everybody is listening, are they?

Let us open our ears, our minds, and our hearts to the teachings of Christ. We are called to risk being generous with our love and forgiveness. We are called to be light for the kingdom.

## Women of the Word Begin a New Bible Study “Pilgrimage in the Footsteps of Jesus”

Women of all ages and walks of life meet each Thursday to study our faith using the Bible and other Catholic writings in a nonjudgmental, supportive community.

Lent is a great time to join the group since, beginning Thursday, March 6th, and continuing for the six weeks of Lent, WoW will embark on a *Pilgrimage in the Footsteps of Jesus*.

Our faith has deep roots in the physical places where Jesus was born, walked, and talked, laughed and wept, where he suffered, died, and rose again. This imaginative pilgrimage unites these hallowed places with the sacred texts associated with the life of Jesus. This geography of salvation can fill out the written gospels with tangible reality. Here we can imagine Jesus with his disciples along the lake, teaching on the mountainside, praying in the garden, and dying on the cross.

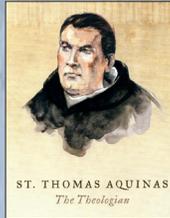

We will use a thematic Scripture study program from the Threshold Bible Study library, which is designed for group discussion. This study is presented in a workbook format, designed for reading, reflecting, writing, discussing, and praying.

Contact the facilitator, Nancy Bouchard: 443.498.8452 or wow@sjecc.com for more information and to reserve your copy of *Pilgrimage in the Footsteps of Jesus* workbook.

We welcome any woman of any age to come at 9:30 a.m. in the Alexandria Room of the Claussen Family Center and learn more about the Bible with WoW.

## Attend a Pivotal Players or Catholicism Session

The Theologian, St. Thomas Aquinas,  
is This Week’s Pivotal Player

We find Bishop Bob Barron and his film crew in Italy to tell the story of St. Thomas Aquinas.

The relationship of faith and reason was under intense scrutiny in an age beholden to the competing claims of fundamentalism and secularism. So called “new atheists” insisted that the claims of religion amounted to mere superstition, a retrograde holdover from a time long ago. Others insisted that the life of faith is a retreat into emotions and subjectivism. St. Thomas Aquinas anticipated these objections and trends and demonstrated that to believe is to think and that the life of the mind is integral to life in Christ.

In the Alexandria Room on Monday, February 25th, at 7:00 p.m.

### CATHOLICISM

*Note: For the final few weeks the sessions, will be out of sync because we skipped an evening session to “ReBoot.”*

**Lesson 7, The Mystery of the Liturgy & the Eucharist:  
Thursday, February 28 @ 11:30 a.m.**

Considered by the Catholic Faith to be “the source and summit” of its identity and mission, the Eucharist is the central practice of the Church’s culture. Bishop Barron explores the notion that “all value is summed up in the liturgy, the surprise act by which we commune with God.”

**Lesson 6, The Mystical Union of Christ and the Church:  
Thursday, February 28 @ 7:00 p.m.**

Clearly answering the question, “What is the Church?” Bishop Barron presents the reality of the Church as “one, holy, catholic, and apostolic.” The Body of Christ can be seen all over the earth, while still escaping total understanding as the mystical union between Christ and his Church.

# NET Missionaries

## NET Missionaries Spotlight

*Editor's Note: Since mid-September, eight young adults, NET Missionaries from Minnesota, have been a part of our Parish Family sharing their infectious enthusiasm as young Catholics. This is our third year hosting the NET Missionaries. We are very excited to welcome them as part of our Parish Family. Over the next few weeks, in an on-going series, we will introduce you to these young adults. Say hello when you see them.*

### Will Murley

Will Murley is 24 years old from Geneva, FL. He is one of two siblings and a proud owner of a Shetland Sheepdog. In his spare time, he enjoys recording/writing music, fishing, kayaking, and surfing. He graduated from the University of Central Florida in 2016 with a Bachelor's degree in Political Science.

### Katherine Buckley

Katherine Buckley is 22 years old from Glendale, AZ. She is the second of five children. She was homeschooled until eighth grade, went to a public high school, and just graduated from the University of Dallas in Texas with a degree in Pastoral Ministry. She loves to go hiking and horseback riding.

**Host Families Needed.** We are in need of parishioners willing to host two (or four, if you have space) of the NET Team for a two-week increment. You don't need to worry about transportation – just provide a place for them to sleep, shower, and meals for the day. Please don't pass up the opportunity to be a blessing to these wonderful young adults who are giving so generously of themselves to our parish!

**For more information, please contact:**

Kyle VanDuser, CYO Social and Spiritual Coordinator, at 239-207-0537 or [kyle@sjecc.com](mailto:kyle@sjecc.com), or Patsy Valentine, NET Team Host Home Coordinator, at 239-398-8332 or [paulival@aol.com](mailto:paulival@aol.com).

### Host Experience

Sean and I share six children, all grown now and on their own. We are empty nesters. Or, at least we were until a few weeks ago when two young strangers knocked on our door. Now, strangers no more, our "kids" will be moving on to their new host family tomorrow. Before this experience, I thought that when we reached the end of our two week commitment that I would feel relief. On the contrary, we will miss them and be sorry to see them go.

We have only been here, in Southwest Florida, for a few months, having moved here from the Northeast in early November. Before the big move, we made a point to invite family and friends to visit us in our new home. We wanted to share our blessings with them – a lovely home, sunny skies, and warm temperatures, and let's not forget the palm trees!

Being a NET host family, we thought, would provide another way for us to share our blessings. Our two young men easily integrated themselves into our home and became family. While they are completely self-sufficient, I must admit that it's been nice to have some kids around to "mother" again, if only through the act of feeding them. Each of our "boys" took a cook-night, though, and prepared dinner for the four

of us. They chose the meal, drawing on something familiar to them for their inspiration. Our puppy dog, Gabbie, has grown to love them too, searching them out first thing in the morning – even before the all-so-necessary outdoor nature call.

The dedication to the Lord and to the service of others that we have witnessed in these young people is inspiring and motivational. The reality of being a host family turns your motivation for doing so on its head. We wanted to give something to others, and yet, we have found ourselves on the receiving end. We wanted to share our blessings, and yet, we have found ourselves further blessed.

Sean and I have committed to be a host family again. If you have considered hosting a NET team, but would like a little more practical insight, I encourage you to reach out to us. We will gladly share more of our experience with you. Fair warning, though – we're a little opinionated. We are of the opinion that this is a wonderful experience and we look forward to our next opportunity to be a Host Family!

## Thursday Nights at the 5 Saints Cafe are Alive at Saint Johns!

We are bringing our community together and having fun unleashing our creative and musical talents with four successful open mic nights on the first Thursday of every month and our very first Paint and Wine night on January 31st.

Our open mic nights have been filled with music by our own church musicians, NET Team, some fun accordion players, poetry, comedy, and even some yodeling! The mic is open for everyone of all ages to come up, so come share your talent with us. These nights have been such a relaxed and wonderful way to get to know each other and appreciate the talents God has given us.

Our very first Paint and Wine night was a huge, sold out success! Jennifer Norqual's step-by-step guidance led to some wonderful masterpieces and interpretations of the Naples Pier. It was another fun and relaxed night getting know each other filled with so much excitement and laughter. Sipping some wine, talking to each other, all while learning to paint on a canvas made for just the perfect evening. While we all painted the same painting, no two interpretations were the same and were all unique and beautiful in their own ways. A nice lesson learned was that we can use our mistakes on the canvases and turn them into something beautiful just as in real life.

Please do help these events grow and come by on a first Thursday for Open Mic or a fifth Thursday of the month for Paint and Wine!

## **Catholic-Jewish Dialogue of Collier County**

*Presents Film: Bogdan's Journey*

*Sunday, February 24, at 2:30 p.m.*

at St. John the Evangelist Catholic Church, Pulte Center

A Roman Catholic man works to heal a 69-year-old rift between Poles and Jews. In a story that begins with murder and ends with reconciliation, one man persuades the people of Kielce, Poland, to confront the truth about the darkest moment in their past: Kielce was the site of Europe's last Jewish pogrom.

In 1946, forty holocaust survivors seeking shelter in a downtown building were murdered by townspeople. Communist authorities suppressed the story, leaving the town deeply embittered.

For Bogdan Bialek, a Catholic Pole, anti-Semitism is a sin. This conviction is the animating force of his life. Conflict over the pogrom was still a festering wound when Bialek moved to Kielce in the late 70s. He was shocked by the poisoned atmosphere of his new town. Trained as a psychologist, he has made it his life's work both to persuade people to embrace their past and to reconnect the city with the international Jewish community.
