*To Know, To Love, and To Serve God  
in His Church and Our Community.*

## Vacation Bible School – God is Good!

God is so good, and we are so blessed by the gifts he gives us each day! Our Vacation Bible School was filled with love, joy, service, dedication, and the Gospel Message of Jesus Christ! Where do we begin to thank the over 150 volunteers who contributed to this amazing effort! Thank you! Everyone gave so much and then even more at times! All of these efforts are greatly appreciated! A major driving force of our VBS were our youth, the future of our church. Their ability to engage with the young campers made the week exciting and joyful! Our adult volunteers were the glue that held our ROARING adventure together! We had approximately 25 adult volunteers leading our Stations that the groups of children traveled to. These leaders put in endless hours to prepare their lessons and classroom settings. Our Core Team lead the Decoration Team, the Mission Project, all of the Registration and Crew Building, as well as the overall running of the program. We couldn't have asked for a better team! The Holy Spirit was alive in each and every part of our VBS Team. As new friends were made and old friendships rekindled, we look to the future of our parish and pray that all feel welcome and will continue to be a part of the mission of our parish To Know, To Love, and To Serve God and each other. Please reach out to Natalie at natalie@sjecc.com if you wish to learn more about engaging in the Faith Formation Ministry in the church. We need teachers of the faith as well! We have so much to offer, and we have something for everyone here at St. John the Evangelist. God bless you all and best wishes for a safe and happy summer!

### A Prayer for World Peace

Dear God, thank You for all creation. In the spirit of Jesus of Nazareth and all teachers of peace who inspire the many faith traditions, help me and all the people of the world learn how to replace hate, war, oppression, and division with love, peace, freedom, and reconciliation. Help me to embody Your love in my relationships with my family, friends, strangers – even my enemies. I commit myself to this sacred task throughout my life. So let it be. Amen.

# Knights of Columbus Honor Monsignor Coll and Seminarrians

The St. John Knights of Columbus Council held their Annual "Vocations Dinner Fundraiser" on Thursday, May 30th. Funds raised are targeted to the Council's Vocation Fund, which supports Seminarrians and Religious in Formation every year. This year's dinner honored Monsignor Robert J. Coll on his 60th Anniversary as a Priest. Grand Knight Joe Hemrick introduced a host of speakers to recall the amazing life of Msgr. Coll. Speakers included Fr. Tom Zalewski, Fr. Tom Glackin, and a heartfelt recollection by one of the children Msgr. Coll raised, Abiy Belege. Abiy recalled the love and caring Msgr. provided for him as a child and adult. Abiy and his family were joined by dozens of family and friends to Monsignor who attended. Many traveled from as far away as Bethlehem, Pennsylvania, where Msgr. served in the Diocese of Allentown. A beautiful video of the Life of Monsignor Coll showed his many accomplishments and his friendships with St. Theresa of Calcutta and numerous other famous people around the world. The Knights presented Msgr. with a plaque and a gift for all he has done and for being a special Priest to the St. John Parish Community.

The evening also showcased the ten Seminarrians from the Diocese of Venice, which St. John Knights of Columbus is sponsoring for this Columbian Year. Five of those Seminarrians were in attendance and were recognized as they prepare for the Priesthood. Grand Knight Hemrick concluded the ceremonies noting to the Seminarrians that, as they look around the room, there were eight great Priests present who serve as an incredible example to them. The example of Msgr. Coll not only serves as an example to the Seminarrians, but also to every human being about how one person can make a difference in so many lives and what can be done to help the poor and needy in our world. An example check was presented to the Seminarrians in the amount of \$11,000.00, which represents what the Vocations Fund has allocated for the ten sponsored Seminarrians. This fund has provided over \$200,000 since its inception.

The evening concluded with a silent auction and raffles, which raised \$7,000 to assist the Vocations Fund. St. John Council KofC thanks all the Parishioners and those who contributed (see list below) to make this a successful fundraiser.

# *Gospel Reflections*

## *with Father Tom*

**T**here is an African story about God which goes like this. One day, as He traveled up and down the vast continent, God noticed that one particular tribe was losing its faith. So He manifested Himself in a field where four men were working, one in each corner. The men saw God standing there in the center of the field, looked closely at Him, and then fell to the ground in adoration.

God then vanished but watched what ensued. The four men ran back to their village, assembled all the people, and proclaimed that there could be no doubt: God truly existed and cared for them, since He had come down to visit them. Hence, they should all start worshipping Him in earnest. The people received the news enthusiastically. They could see that these men had had a holy vision. Then one of the villagers asked, "What was God wearing?"

"He was wearing a red cloak," the first man answered. "No, he was wearing a blue cloak," said the second. "You're both wrong," said the third. "It was a green cloak."

"You're all crazy," shouted the fourth. "He was wearing a yellow cloak."

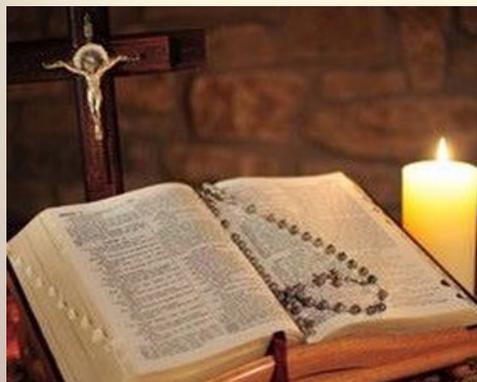

And with that, they started to argue. The argument turned into a fight. In the end, they despised and hated one another, and split up into four factions.

With a little reflection, they might easily have reached agreement. Each had been given a glimpse of God. Instead of insisting that each had the complete vision, they might have admitted that each had only a partial vision. Had they been open to the other person's point of view, they could have ended up with a larger and richer image of God.

God is greater than us all. We can never fully comprehend God. We struggle to understand even earthly things. So how can we grasp heavenly things? Only the gift of wisdom can help us to understand the ways of God. People can know the truths of the faith and yet not know God.

It is very important to have a correct image of God. If we get this wrong, everything else will be out of focus. How can we pray properly, or how can we have a proper relationship with God, if we have a false or inadequate image of him? The Christian sees life as a response to God's love.

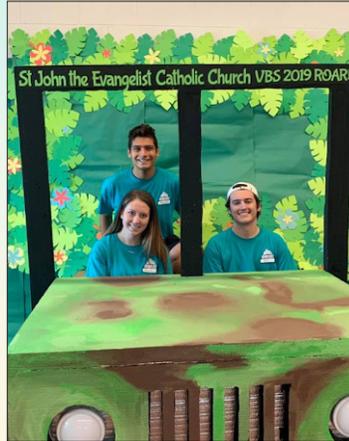

To tell what God is like, all we have to do is look at Jesus. In the words of St. Paul, "He is the image of the invisible God." What is Jesus like? Of all the images we have of Jesus, one of the loveliest is that of the Good Shepherd. It was Jesus, Himself, who used it. Jesus is the Good Shepherd, who gave His life for His sheep. In Jesus, we see the Father's love for us. And what of the Holy Spirit? The Holy Spirit is the bond of love between the Father and the Son, and between them and us.

The mystery of the Trinity is not something to argue about or even study. It is more some-thing to pray about and to live. The Christian lives in the world of the Father, the Son, and the Spirit. This world is not somewhere in outer space. It is the same world of every day. As the African story shows us, that is where God manifests Himself to us.

# Adult Faith Formation and RCIA

## This is Adult Faith Formation at St. John the Evangelist Parish

It was a great year. First time participants numbered 287. Over the last couple of years, 613 have participated in one or more AFF programs.

If you participated, you know the experience. If you have not yet participated, here is an overview of what you missed.

The focus for the fall season was answering the question, "Why do I Go to Mass" by viewing and discussing *The Mass*, a new program from Bishop Barron's Word on Fire ministry. It was repeated in the winter for our seasonal parishioners.

At the beginning of 2019, a new "core" series of three programs was introduced to provide a comprehensive formation in the fundamental beliefs, traditions, and practices of our Church.

- *The Mass* provides a guide to full, conscious, and active participation in the source and summit the Christian life.
- The award-winning program *Catholicism*, in the words of a parishioner, allowed him to look at common concepts of our religion from an entirely different perspective. Another said this was an eye opener for a life-long Catholic.
- *Unlocking the Mystery of the Bible* is a Bible study from a Catholic perspective that shows how our faith is rooted in Sacred Scripture and allows for a greater appreciation for the readings you hear during Mass.

There were also Bible studies of Matthew, Ephesians, and Revelations, as well as a journey through Church history and two programs during Lent.

Women of the Word meet weekly, and this year they covered books including *Everything You Wanted to Know about Heaven*, *Footprints of God*, *Advent Meditations with Mary*, and *What Happens when Women Say Yes to God*.

In all, participants enjoyed over a dozen different programs on different days and times of day.

**But, we want to make sure we are addressing YOUR interests and fulfilling YOUR needs.**

So, help us plan the programs for next year. Please fill out this brief survey and drop it in the collection basket next week, or send your responses to [jack@sjecc.com](mailto:jack@sjecc.com).

Saint Ann Student Is State Winner!  
"Proud of America" Essay Contest

Congratulations to Saint Ann School Student Teagan Costantini for winning the Elks Lodge Contest! The Americanism Essay Contest is a program of the Elks' Grand Lodge Fraternal Committee geared towards students in 5th through 8th grades to promote patriotism among young people. Our student won for the entire state of Florida!

**What Makes you Proud of America**  
By Teagan Costantini  
Division I: Fifth & Sixth Grade

Our country is a melting pot. This means that our country is made of many different people from places all over the world. Some of my best friends were not born in the USA, but they emigrated from countries such as Haiti, China, Vietnam, Chile and many more. To emigrate means to leave your home country to start a new life in another country. I love that our country is a place where all people are able to come to try to create a better life for themselves and their families.

My own grandfather came to America from Italy with his sister when he was only 11 and she was 14 years old. They stayed with their uncle until their parents arrived a few years later. They had a very hard life in Italy, and their family was very poor. Here in America, there were many more opportunities for work. Everyone in the family worked very hard, and their life improved greatly.

I am so grateful and happy that our wonderful country is a place where anyone who wants to improve their life and is willing to work hard is able to do it here in America. If the United States wasn't this type of country, my grandfather may not have ever left Italy, and my family and life would not be the same! Once people emigrate here, they have many freedoms and rights that they may not have had in their other country. These rights include freedom of religion, freedom of speech and freedom of the press. Not only am I grateful to live in a country that welcomes people of any color, religion, gender or culture, I'm happy that their rights and freedoms are protected once they are here. This is what makes me proud of America!
