## Finish the Church: \$16.4 Million Renewal of Campus

*We are blessed to be back in our church, again whole with our enlivening faith environment. This new persistent message: Finish the Church, is our final push of the Capital Campaign, to complete the transformation of the entire campus and ensure our success for the next 30 years. While we have come far already, we will all need to work together to complete our vision of the new Saint John the Evangelist Catholic Church. Over the next few weeks, we want to give you an opportunity to learn where we stand, how we got here, and what we need to do as a Parish Family.*

By now, most of you reading this have seen the transformation of our campus for yourselves. If you were here during the Season, we were able to accommodate our Parish Family in multiple locations across the buildings while we completed the church. In doing so, you may have been introduced to rooms you may have not seen before, like our Ballroom or the new Gym. We hope you enjoy those locations for our Parish activities and events going forward, like our CYO Basketball, concerts, dances, and so much more.

As we have been discussing, this all played out for us during a Capital Campaign and a Hurricane. These challenges also allowed us to accomplish something we had never dreamed: a far deeper transformation of Saint John the Evangelist. Over 85% of our campus has undergone massive repairs and renewal in the past two years. This has been expansive and extensive, with every building and room receiving some renovation effort. The hurricane damage exposed the opportunity to address added renovations, previously planned for the future, in a very cost effective way. In fact, the Parish Family Leadership took this opportunity to complete a major portion of our 5-Year Capital Plan all within this span, and much more, bringing the entire renovation to over \$16 million of effort. Let's walk through just a few examples of this transformation:

Securing the Future  
of our Parish Family  
for Another 30 Years

### A Prayer for World Peace

Dear God, thank You for all creation. In the spirit of Jesus of Nazareth and all teachers of peace who inspire the many faith traditions, help me and all the people of the world learn how to replace hate, war, oppression, and division with love, peace, freedom, and reconciliation. Help me to embody Your love in my relationships with my family, friends, strangers – even my enemies. I commit myself to this sacred task throughout my life. So let it be. Amen.

## Finish the Church: \$16.4 Million Renewal of Campus

Continued from Page 1

### Claussen Family Center

Our smallest building on campus has one of our most important missions, the Catholic education of our Parish Family and the local area. Both the Youth and Adult Faith Formation programs emanate from this building, as well as our on-site counseling services and our brand new Library (featuring both paper and electronic media and study space). This building sustained flood damage from Irma, so the walls would need to be opened up and the floors replaced. Additionally, the air conditioners for the building had totally failed, requiring not just a replacement, but a total overhaul, including new pipes from the outside units.

*A Trench Had to Be Dug for AC Units to the  
Claussen Center*

*New Flooring and Painting for our Alexandria  
Room (Formerly the Seminar Room)*

### Parish Activity Center

While some may still call this building the PLC, our Parish Activity Center is still under repair and renovations that began the day after Hurricane Irma. We had planned a facelift for the aging Ballroom during the Capital Campaign, but with complete devastation of the building by the hurricane, we were able to transform it into a beacon of fun activities and events for years to come. New projectors and sound system were masked while we used the Ballroom as our church for an entire year. Flooring, seating, exterior doors, walls, and stage were all renovated, including a new dance floor. Whether we are having a 300+ person concert or hosting the Naples Council of World Affairs 750 attendees at a time, the Ballroom is now ready and able to support all the activities in a warm and open environment. The 10 Classrooms and various offices that make up the rest of the PAC are now undergoing their repairs, as well, matching the Claussen Family Center.

### Pulte Family Life Center

The latest addition to our campus is the Pulte Family Life Center, the home of our Catholic Youth Organization and Catholic Adult Organization. This enlivening new facility has served us well already, doubling as a second church during season along with the initial set of our program offerings for our Parish Family and the Community.

From the brand new exterior lighting for the parking lots and walkways, to cameras for protection and surveillance, the new parking lots increasing the amount of spaces available, to our new pond in the back of the campus, nearly every inch of the campus has been enhanced and improved.

### Our Church

Last but certainly not least is our new church. Every inch has been updated and repaired. There are parts that you may never realize have been completely renovated, like the plumbing and electrical work. You may have already felt the Air Conditioning is tremendously improved as all duct work was replaced with the proper materials. Then, of course, there is all the visible effort, like the beautiful Liturgical environment, including new pews and marble from Florence, Italy. We ensured that the church building would be efficient and joyous for the next 30 years of Saint John's service to our community and Parish Family, including "future-proofing" the building (for example, those platforms on the side of the walls are for potential projectors to view the Psalms and other Mass parts, if we determine that our Parish Family would like that type of engagement).

*New Permanent Baptismal Font*

So, what does all this tremendous effort mean for our Parish Family? We now have a completely transformed campus that will serve us all for decades to come. In hard "dollars and cents:"

# *Gospel Reflections* *with Father Tom*

*T*he Our Father is the first and greatest of all Christian prayers. Its short and simple phrases embrace every relation between us and God. It not only tells us what to pray for, but also how to pray for it.

However, it tends to be said so hurriedly and unthinkingly that much of its meaning is lost. This is a pity. Because, properly understood, the Our Father contains a whole program for Christian living. If we were to live up to what it contains, we would be perfectly in tune with the mind of Christ, because undoubtedly this is how He himself prayed and lived.

The first part deals with God. We begin by acknowledging God's existence, and calling him "Father." God is a parent to us, and we are his children. Sometimes He acts like a father, and sometimes like a mother. Then we praise His name. In praising His name, we praise Him. We pray for the coming of His kingdom – a kingdom of truth and life, holiness and grace, justice, love, and peace. We have a part to play in making His kingdom a reality. We pray that His will may be done on earth. 'On earth' means in our lives, too. God's will may not always be the easiest thing to do, but it is always the best thing.

The second part deals with us and our needs. We begin by praying for our daily bread. 'Bread' stands for all our material needs. We pray for forgiveness for our own sins, and for the grace to be able to forgive those who sin against us. Inability to forgive others makes it impossible for us to receive God's forgiveness.

We pray not to be led into temptation. God does not put temptation in our path but life does. And we ourselves sometimes walk into temptation of our own accord. We are asking God to help us to cope with the temptations that come to us unbidden, and to avoid those of our own choosing.

Finally, we pray to be delivered from all evil, both physical and moral. We can't expect never to encounter evil. What we are asking God for is the grace to be victorious over all evil, but especially moral evil.

Notice that the whole of the Our Father is couched in plural terms. This shows that we are one family under God, and that there can be no salvation for us independent of others.

# Faith Formation

## Key Dates Set to Open a New Year of Faith Formation

As we look to the 2019-2020 school year, we are excited to continue our journey in faith and personal relationship with Jesus Christ. We welcome into our programs children in Prek-3 through 12th grade. Knowing that parents are the first teachers of their children in the ways of the faith, we hope to offer programming that supports, encourages, and extends the teaching of what parents are already doing in their homes. No matter where families are on their faith journey, all are welcome! If you are a family returning this year, we welcome you! If you have been away for a while, or you are new to our parish family, we welcome you! As we prepare for the upcoming year, we invite you to register your children, and visit our offices if you have any questions or concerns. Together, myself and Luz Lozano, Faith Formation Assistant, are here to serve you. Our Offices are located in the Claussen Family Center.

As part of our Faith Formation program, we will be integrating music and movement as we grow in praise and worship through song. We hope to make meaningful connections for them in their prayer life and at Mass. In addition, children of all ages may choose to join our Children's Choir that meets on Wednesdays from 5:15-5:45 p.m. in the Choir Room of the Claussen Center. Children may register for choir by checking the appropriate box on the bottom of page 1 of the Formation registration form. For more information on the Children's Choir, please stop by the Choir Room for an informational meeting on Wednesday, September 11th, from 5:15-5:45 p.m.

# Adult Faith Formation and RCIA

## Preview of Programs Coming to St. John the Evangelist in September

Over the next few weeks, we will introduce the Adult Faith Formation programs that you can participate in this Fall. The first is one of the “Core Programs” that enable each of us to develop a solid adult faith. Here is what Bishop Barron has to say about the Bible.

“Many Catholics don’t know the Bible very well. Vatican II called for a revival in biblical studies, but I don’t think that’s happened yet, at least among average Catholics.

We need to understand the great biblical story, beginning with Creation and the Fall, the formation of Israel, the coming of the prophets and patriarchs, and finally the formation of a people that leads to the coming of a savior. It’s only when we get the sweep of that whole story that we understand why the coming of the savior matters, and what the coming of the savior even means...

So, I would recommend to all Catholics, open up your Bible, and get deeply immersed in the great biblical story.”

Bishop Robert Barron, Advent Reflection, December 3, 2016

### Understand the Entire Bible

The Bible is at the heart of our Faith and our relationship with God. It is the living Word of God, where our Father meets with us and lovingly speaks to us. Reading the Bible should bring us closer to Christ, but understanding it is not always easy.

**The Bible Timeline: The Story of Salvation** is a fascinating Bible study program that will take you on a guided journey through the entire Bible and bring you deep into each period of salvation history. See how all the major people, places, and events of the Bible reveal the remarkable story of our faith. It’s like driving through the Holy Land in a Land Rover.

The key to understanding the Bible is finding the story that ties it all together. The Great Adventure Bible Timeline Learning System makes the complexity of the Bible simple by helping you uncover the story woven throughout Scripture, so you can make sense of it. As you see the story unfold, you will see the “big picture” of the Bible. The Mass readings will begin to make more sense, and you will see God’s loving plan for your life.

Presenter Jeff Cavins will show you how fourteen of the Bible’s narrative books tell the biblical story from beginning to end and give you the keys to understanding this amazing story. Through its 24 sessions, *The Bible Timeline* will teach you how to read and understand the Bible and introduce you to the wonderful narrative of the Bible.

Reading the Bible should bring us closer to Christ, but understanding it is often difficult. The good news is that you can understand the Bible, and *The Bible Timeline* makes it easy. *The Bible Timeline* has helped hundreds of thousands of people to have a better understanding of the Bible and a deeper relationship with Christ, and it will help you, too.

Beginning Thursday, September 19th, at 6:30 p.m., and continuing for 10 weeks until November 21st, the first part of this program will be offered. After a break for the holidays, the second part will begin on January 9th, and the program will conclude on April 2nd. It will be facilitated by Deborah Simon.

The image shows a comparison between the original and refreshed interiors of the Bible Timeline program. On the left, the 'Original Bible Timeline Interior' shows a page with a small, black-and-white map of the Holy Land. On the right, the 'Refreshed Bible Timeline Interior' shows a page with a large, vibrant, full-color map of the Holy Land. A callout box points to the new map with the text 'New full-color maps'. Another callout box points to the refreshed page with the text 'Full-color illustrations or photos on session title pages'. A third callout box points to the refreshed page with the text 'Great Adventure Bible Timeline period color tabs on every page'. A fourth callout box points to the refreshed page with the text 'Easy-to-read font and Bible Timeline period color tabs for each session (Just like The Great Adventure Catholic Bible!)'. On the right side of the image is the cover of the Bible Timeline program, titled 'The Bible Timeline: The Story of Salvation' by Jeff Cavins, Sarah Christmyer, and Tim Gray. The cover features a desert landscape with sand dunes and a blue sky.
