Over 70 Children Receive the Sacrament of Reconciliation for the First Time

Last Wednesday, over 70 children in our parish received the Sacrament of Reconciliation for the first time. It was a beautiful evening led by Fr. Arun Paul and celebrated along with Fr. Tom, Fr. Paul, Fr. Rourke, and Fr. Len. Catechists worked diligently to prepare the young children and smiles were everywhere as the children received the sacrament and their candles symbolizing the light of Christ! A special thank you to Catechists Melissa and Molly O'Brien, Christina Talford, Kristie Colman, Danielle Manzano, Gina Manfredi, Carol Roberts, Michele Standish, Sylvia DeFeo, and special volunteer, Kay Sanfellipo. This outstanding team made everything possible, and Luz and I are so grateful! Our musicians Mary Klucinec and Mary Jo Carney enhanced the atmosphere with their beautiful talent, as well. Please continue to keep these children and their families in your prayers. They will continue to prepare for the Sacrament of First Holy Communion that will be celebrated on Saturday, May 2nd, 2020.

A Prayer for World Peace

Dear God, thank You for all creation. In the spirit of Jesus of Nazareth and all teachers of peace who inspire the many faith traditions, help me and all the people of the world learn how to replace hate, war, oppression, and division with love, peace, freedom, and reconciliation. Help me to embody Your love in my relationships with my family, friends, strangers – even my enemies. I commit myself to this sacred task throughout my life. So let it be. Amen.

Gospel Reflections with Father Tom

The media has done a good job reminding us that today, February 2nd, is a rather special day. Special in the sense that it is Ground Hog Day, and everybody is wondering whether or not the ground hog in Punxsutawney, Pennsylvania will see his shadow, determining whether or not we will have six more weeks of winter. Nobody really believes the ground hog can predict the future (except possibly in Punxsutawney, Pennsylvania) but it is fun to speculate as to what will happen in the next six weeks with regard to winter. Not that it affects us that much here in beautiful, sunny Naples.

February 2nd is also the day on which the Church celebrates the Presentation of the Lord. The Presentation was the ceremony in which the infant Jesus was brought to the Temple and Mary was purified after childbirth.

The prophet Malachi tells us that the Lord will send a messenger. He will send someone who will be a purifier, someone to help prepare the people for entrance into the temple of the Lord.

Luke provides us the scene at the temple where Mary and Joseph bring their first-born son to be offered to the Lord. Simeon recognizes the child as this purifier, as the one sent to be a light for revelation to the Gentiles and glory for your people Israel.

It is in the Letter to the Hebrews, however, that we come to understand how Jesus is that purifier. Though God could have saved us any number of ways, He chose to send His only Son to become one of us.

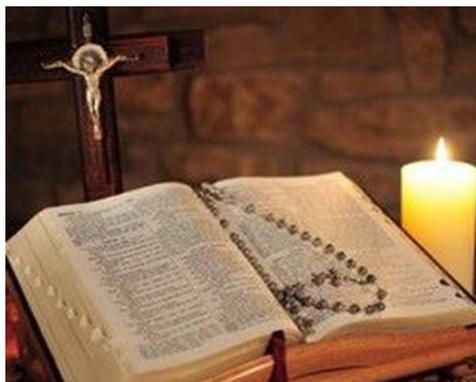

The author of the Letter to the Hebrews states that surely Jesus did not help angels but rather the descendants of Abraham. It is because Jesus was sent to help us that He became one of us. Hebrews says that in order to be a merciful and faithful high priest before God, Jesus had to become like His brothers in every way. Why was it that the creator of the universe had to become one of us in order to fulfill the prophecy of Malachi and the other prophets? Why could not God have simply chosen some other way?

The mystery of this choice will certainly never be completely understood, but we read in the Letter to the Hebrews that because Jesus, himself, was tested through what He suffered, He is able to help those who are being tested, and are we not tested every day?

This is an astonishing sign of the love of God for His people. Unlike the gods and deities of other faiths, where no doubt people are sincerely seeking God, it is in the Christian faith, and only the Christian faith,

where we can say that God knows, truly knows, what it means to suffer. When we struggle with self-doubt and the pain of loss and anxiety for the future and the suffering of love in its many forms, we can turn to God who knows exactly what that means.

God is presented as a broken king, a suffering servant, a dead man on a cross who came to lay His life down for you and for me. The man on the cross is God, and God knows our suffering and yearns to comfort us as our Mother Mary no doubt comforted the infant Jesus that day. When Mary and Joseph presented Jesus that day, they participated in God's Plan to give meaning to our suffering and to provide a light to the nations, a new hope for the world.

Saint John Financial Dashboard

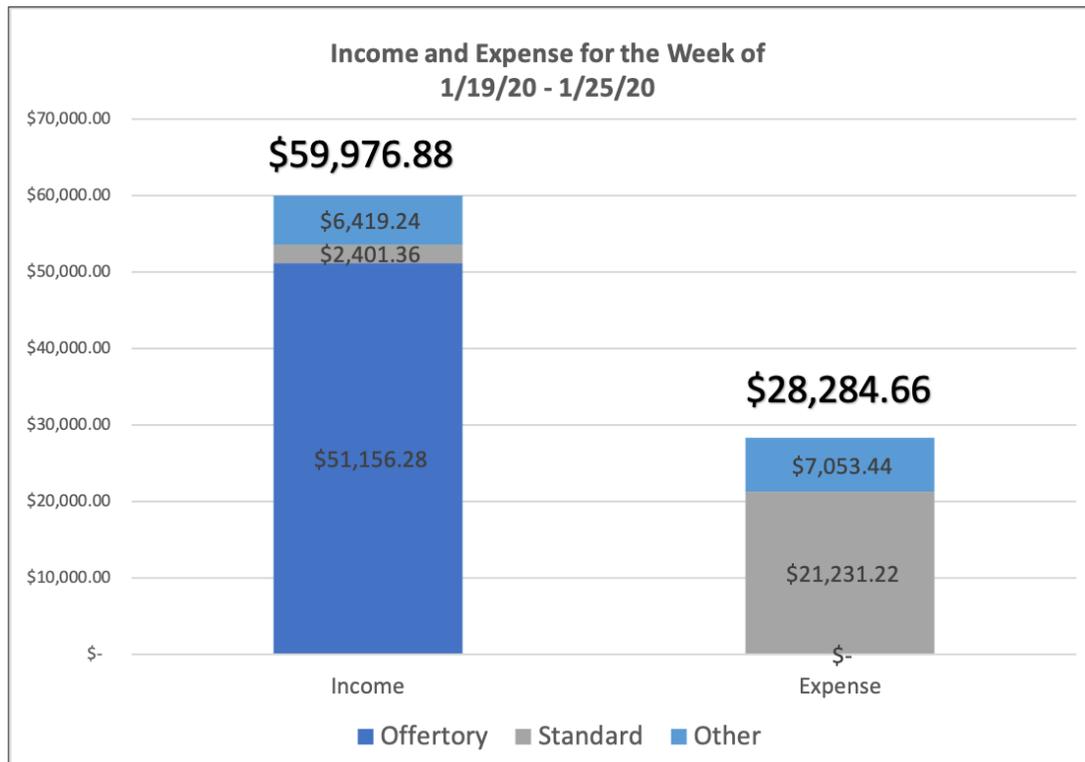

In our continued evaluation of the most effective and efficient way to communicate our financial environment here at Saint John the Evangelist, we welcome your suggestions. The past few weeks, we have illustrated the true Income of the Parish Family, as well as its expenses. We want to make that information even more digestible, while providing clarity on what and how we utilize your wonderful gifts for our Mission. In following weeks, we will delve into specifics of programs, Ministries, and operations. This week, we wanted to try out a visual representation of the specific details of both our Income and our Expenses on a weekly basis.

Our Income is made up of three core areas. The Offertory, which includes the donations provided in the collection baskets, as well as our online giving program called WeShare, is the bulk of the funds provided to the Parish. Our Standard Income includes special gifts provided outside the Offertory, as well as the rental of our facilities, our Religious Education, and our Poor Box, which goes immediately to the direct support program of our Saint Vincent DePaul Ministry. Our Other Income is made up of the various Ministry activities, the Divine Gift Boutique, and our CYO and CAO Programs. This past week, the total of all three areas was \$59,976.88.

Our Expenses are made up of only two areas. Our Standard Expenses include the cost of the payroll and benefits of the clergy and staff, the operations of our facilities, and the services we provide on a pastoral basis, including our tuition assistance to the local Catholic Schools. The Other Expenses include Ministry Activities as well as the cost of the CYO and CAO Programs. This past week, our total expenses were \$28,284.66.

You may be under the impression that this showcases a significant surplus of funds for the Parish. However, that is not the case. The weekly expenses will fluctuate, especially when larger costs, like the electricity for our buildings or a payroll week, occur, and we must operate understanding there are monthly, quarterly, and annual expenses to consider. That is why we had traditionally placed our weekly budget in the chart with the Offertory report, so you could see a more consistent number. Please provide us with feedback if that is something you would again find helpful, and we will include the week's budget in this new chart format or if you have any other suggestions or questions you would like answered.

Campaign Corner

Better is the end of a thing than its beginning;
better is a patient spirit than a lofty one. – Ecclesiastes 7:8

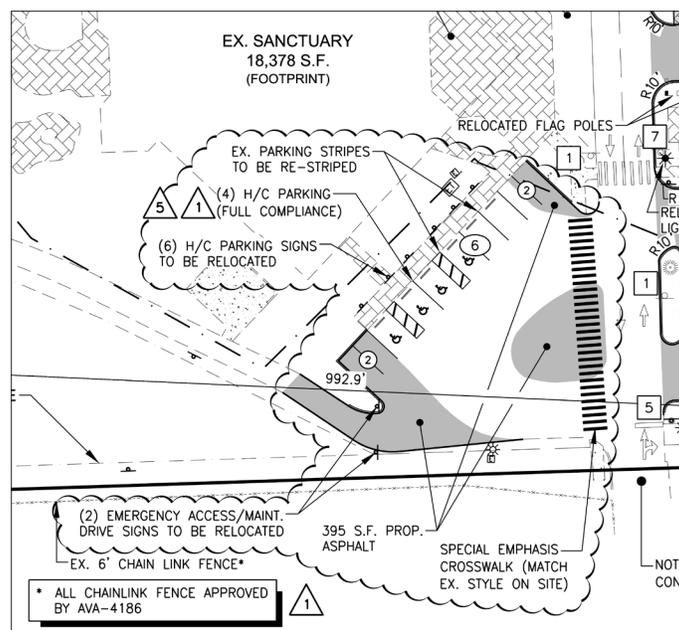

Isn't the Church Already Complete?

After Father Tom's stirring Homily last weekend, describing the state of our Parish Family and our campus, as well as illustrating the final step we will need to take together to complete our loan to the Diocese, members of our Finance Council and our Buildings and Grounds Council were ready to explain the situation in detail and openly discuss our next steps together. The question we received the most, and that we have been hearing since we described our **Finish the Church** Campaign, was "The Church looks done to me. Why do we need to finish it?"

Of course, we are excited that the church is nearly complete and, to the standard view, looks to be "finished." The reality is different in two tangible ways, and that is why we have the **Finish the Church** call to action:

1. **Financial Responsibility:** The transformation of our Sanctuary, and truly the entire building of our church, was a massive effort. We are so blessed that we only have \$1.5 million left to pay off the loan. As father mentioned in his Homily, if every family of Saint John was able to contribute \$456, our loan would be completed. We completely understand that this number is unattainable for some, and yet for others, they could contribute for 10 other families. We hope you will be able to assist us **Finish the Church** by paying off this loan as quickly as possible.
2. **Church is Not Actually Complete:** We are still working on the final touches that, while smaller than the brand-new marble altar and statues, need to be completed. For example, we will be completely transforming the parking area immediately adjacent to the front entrance of the church. You may recall that area had been reserved for the priests and only one or two handicap spaces. This area will now become fully utilized for handicap and special needs individuals and families, including expectant mothers. Streaming of the Mass onto the large displays in the Narthex for the families and others that participate in that section of the church has just been activated for this weekend. Handicap Signage for the pews was just installed last month. These smaller projects still need to be completed, hence we still need to **Finish the Church**.

Together We Can Beat the Flu

6 Tips to Stay Healthy this Flu Season

Please be aware that as we enter flu season, we would like to ensure the health and safety of our entire Parish Family. As such, we will be refraining from providing the Precious Blood as part of Communion. We believe as the Catechism of the Catholic Church teaches that Jesus is fully present in the form of the host. Additionally, please provide a Sign of Peace through a form most comfortable to you. That can be as a bow or hand gesture instead of a handshake or hug. We want our whole Parish Family to stay safe and healthy this winter, so please help us and enjoy our community together.

Paradise: A Video Series, NOT Just for Parents

The technological advances and social reforms of the 21st Century have made outsourcing an affordable and popular system for nearly every aspect of one's personal and professional life. Many parents prefer to outsource learning of the Faith to religious education programs and Catholic schools. Although this practice seemingly offers a logical and simplified solution, statistics show that children whose parents are not teaching or living the Faith often fail to become practicing Catholics.

Now's the time to turn the tide.

Paradise offers practical and educational advice for mothers, fathers, grandparents, and guardians on why practicing and teaching the Faith is paramount in today's hyper-connected and sometimes hypersensitive society.

Paradise pulls no punches. It acknowledges the power of a popular culture that champions individual opinions over universal truths, but it also offers practical advice on integrating the Faith into a family's life without changing everything about it.

Paradise encourages parents to become the primary catechists for their children. It provides a wealth of information and inspiration so families may proudly practice their Catholic Faith.

Paradise extends a helping hand to those who have fallen away from the Faith. The series inspires families to overcome life's greatest challenges through the wisdom of the Catholic Church.

Far too often, parents merely drop their children off for a religious education class or sacramental preparation program. **Paradise** encourages parents to embark on an incredible journey to become the primary catechists to their children as they proudly practice their Catholic faith and open their hearts, minds, bodies and souls to Christ.

The diocesan team of educators, religious leaders, and media production experts carefully crafted **Paradise**, incorporating learning methodologies from the finest educational organizations in the for-profit sector with the ecclesial method of St. John Bosco. **Paradise** also indulges viewers with visually stunning tapestry of classical art, modern marvels, and breathtaking landscapes.

This series of seven 20-minute videos will be shown and discussed during the children's faith formation sessions during February, March, and April:

- **Wednesdays at 5:45 p.m. beginning February 12 and**
- **Sundays at 9:30 a.m. beginning February 9.**

Let the journey to Paradise begin with you, today.

Our Adult Choir Welcoming New Singers to Join... NOW!

Our adult choir is currently inviting ALL SINGERS, ages 17 and older, to join our choir. Why join St. John's adult choir? We develop proper vocal skills, sing beautiful sacred music for our liturgies and concerts, learn more about our Mass and faith, gain a more personal and rewarding involvement in the worship, work together as a team, socialize as a family, and we have fun in the entire process! The invitation is open to all interested singers with some music reading skills! We rehearse every Wednesday in the Choir Room. Consider coming to a rehearsal. Try choir for one month or a season. Please contact Gary Prettyman at the Church Office during the week, or after Mass, for more information.

Verse 1)
Amazing grace how sweet the sound
That saved a wretch like me
I once was lost but now I'm found
Was blind but now I see

Verse 2)
'Twas grace that taught my heart to fear
And grace my fears relieved
How precious did that grace appear
The hour I first believed

Chorus)
My chains are gone I've been set free
My God my Savior has ransomed me
And like a flood His mercy rains
Unending love amazing grace

Verse 3)
The Lord has promised good to me
His word my hope secures
He will my shield and portion be
As long as life endures

Verse 4)
'The earth shall soon dissolve like snow
The sun forbear to shine
But God who called me here below
Will be forever mine
Will be forever mine
You are forever mine

Communion Song **The Heart of Worship** **Matt Redman** CCLI Song No. 2296522 © 1999

Verse 1)
When the music fades, all is stripped away
and I simply come; longing just to bring
something that's of worth, that will bless your heart

Pre-Chorus)
I'll bring you more than a song,
for a song in itself is not what you have required.
You search much deeper within, through the way things
appear—you're looking into my heart...

Chorus)
I'm coming back to the heart of worship,
And it's all about you, all about you Jesus.
I'm sorry Lord, for the thing I've made it,
When it's all about you, all about you, Jesus.

Verse 2)
King of endless worth, no one could express
How much you deserve; Though I'm weak and poor, all I have
is yours, ev'ry single breath.

Verse 3)
And as I receive your Body and your Blood,
given up for me; Take me as I am, call me to the Feast—say the
word, I'm healed—

Broken I run to you for your arms are open wide
I am weary, but I know your touch restores my life

Verse 1)

Great is your faithfulness, O God
You wrestle with the sinner's restless heart
You lead us by still waters into mercy
And nothing can keep us apart

Pre-Chorus)

So remember your people, remember your children
Remember your promise, O God

Chorus)

For your grace is enough, your grace is enough
Your grace is enough for me!

Verse 2)

Great is your love and justice, God of Jacob
You use the weak to lead the strong
You lead us in the song of your salvation
And all your people sing along (to pre-chorus)

Continuing to Enhance the Safety of Our Parish Family

PROMISE TO PROTECT

The renewal of our church went far beyond new paint and flooring. The leadership of Saint John the Evangelist evaluated every facet of our campus to determine how to best balance the welcoming community of our Parish Family with the realities of protecting ourselves and others while here in our safe place. From on-duty law enforcement to surveillance cameras, new campus lighting to new access control systems, we have embedded safety into our environment without impacting the openness and joy that comes from participating in our Masses and activities.

We are establishing a new Safety Committee for our Parish Family. It will be responsible for understanding the equilibrium of our open Catholic Church that welcomes the stranger and our responsibilities to ensure the safety of all on our campus. If you have experience in public safety, emergency management, or operational security, please reach out to our Business Manager, Jean-Paul Boucher at jp@sjecc.com or (239) 566-8740 to see if you would be a candidate for our Safety Committee.
